Assalamu Alaikum wa Rahmatullah

Welcome to this month's edition of our newsletter. We pray this month of Ramadhaan has been beneficial to all and that we have been able to take advantage of its blessings.

This has been a wonderful year and we are extremely pleased with the progress children have made over the year. It is a time to celebrate our achievements and also a sad time as we bid farewell to children moving on into school. We would like parents for your ongoing support and for being instrumental in the learning and development of your children.

Wassalam

Animal Man!!! Please visit www.theanimalman.co.uk to have a look at what children will be experiencing on 20th June 2017. Children will see:

Invertebrates, amphibians, reptiles, birds and mammals. InshaAllah pictures will be included in children's learning journeys and around the building for parents to see.

Eid Party

Our Eid party at nursery will be on Wednesday 28th June 2017. Children may wear their Eid clothes but please ensure they wear sensible shoes and no jewellery that would pose a health and safety hazard. Parents may wish to send food, however please avoid food with nuts as there are children at the setting with nut allergies. We also request that you do not send in crisps and fizzy drinks.

Hatton Farm trip
